**Planning | Engineering | Environmental | Surveying**

**WOSB, EDWOSB | UEI YMKWKCH7W2V6 | CAGE 96WS8**

## Capability Statement

EKH Infrastructure, **a Mentor-Protégé Joint Venture of ENGenuity Infrastructure and Kimley-Horn**, is a full-service professional consulting services firm located in 130+ offices nationwide. Our staff are composed of civil engineers, planners, structural and electrical engineers, roadway engineers, landscape architects, environmental professionals, and construction phase specialists. We are a national firm with more than 8,600 staff.

We are experienced in supporting federal clients with civil engineering, site civil design, utilities, water/wastewater, aviation, planning and design, Anti-Terrorism Force Protection, stormwater management, resiliency, transportation planning and engineering, heavy utility, environmental, waterfront structures, storm hardening and landscape architecture and additional specialty many other engineering disciplines. We are well versed in project development, planning and programming, including DD Form 1391 preparation, and we are adept at multiple project delivery methods including a wide range of alternative delivery methods.
